Please join NASA's Maine Space Grant Consortium's project to launch the Island Astronomy Institute. Your direct support will transform our educational program of lectures, workshops, and professional instruction, into a one of a kind resource serving the Acadia Region. We'll keep you informed of our progress along the way through the Institute's journal, The Observer. Your Membership entitles you to:

- ❖ **Members Only Events**
- ❖ **Priority Access to the private Meadow View Observatory**
- ❖ **Savings of up to 10% at the Island Astronomy Store**
  - **Free assembly, Shipping or Delivery on new telescopes**
- ❖ **Savings of up to 10% at Rivers Camera in Dover NH**
